OUR VISION

There's this Nigerian notion that sustainable access to compliant FX funds is challenging at best. We are here to tell you that your FX constraints belong to the past. Uncapped access to compliant funds so you can focus on growing your business whilst ensuring yourself of fixed cost for your products, services and dividends.

OUR MISSION

We believe that Nigeria deserves innovative and stable businesses to support Nigerians on a fundamental scale. That these businesses can grow with a conscience, succeed with a soul — and that they can do it without the hassle of FX and volatility of the Naira. That's why we've created an ecosystem uniting specific Nigerian expertise with cutting edge fintech.
