SAFE GUARDING OF CLIENT FUNDS

SUMMARY

- Our FX engine is provided for by loopingOne & Ebury
- Ebury is licensed in the EU as a Payment Institution by the National Bank of Belgium.
- Ebury has a legal obligation to safeguard client account balances.
- In the unlikely event that Ebury were to cease trading, any client funds held in client accounts subject to safeguarding are protected (ring-fenced) from Ebury's other creditors.
- This gives you peace of mind knowing that your funds are protected.

looping Ebury What borders?

RING FENCED CLIENT FUNDS

Ebury satisfies its safeguarding obligations by segregating client funds in designated safeguarding accounts with Tier 1 banks, and qualifying money market funds. Ebury selects and regularly reviews these institutions used to hold its client funds based on a number of factors including, but not limited to, reputational risk, agency ratings, service capabilities and local market presence.
